## ATA Museum Hours

It is now 6 years since the ATA decided to open the Museum to the public on a formal basis. We started with three days a week. This year we would like to open to the public every day. To do this we need more volunteers to work in the Museum. This month John will be going around talking to last year's volunteers to confirm the schedule. If they all renew their commitment, we will still require volunteers for Sundays from May to September. The shifts are: 10am to 12:30 pm and 12:30 pm to 3 p.m. Please contact John Black if you would like to volunteer for a shift. atachwk@gmail.com
