Annual General Meeting

At the Annual General meeting on November 14th motions were passed to allow ATA to move our society registration from the old Society Act to the new Societies Act. Changes required during the process led to a revision of the Handbook and the changes were approved. A new 4th edition will be published shortly, and Jerry Parkhill will be mailing copies with next year's membership cards.

Our annual elections were also held. The new Board consists of:

President: Ray Ramey
Vice-President: Stuart Vanderkooi
Treasurer: Donna Wurst
Secretary: John Black
Directors: Gordon Jackson, Dwayne Huseby, Fred Giesler, Deborah Dempster, Will Dempster and Vern Sawyer.

Most recent restoration

Our Prescott harbour wagon puller has been restored to good operating order. It will be used to pull our machines and other wheeled vehicles around the site when they need to be moved. The vehicle has Model A running gear and transmission. Behind the metal plate on front is a Model A grill. It will take some of the pressure off the forklifts.

Help Wanted

Starting January 1st 2018 ATA will no longer have a volunteer custodian. We need a member to take on this position. Please contact us at 604-858-2119 for further information, or email us at atachw@atgmail.com

What are these things?

We have received some artifacts recently that we can't identify. Does anyone have any idea what they might be? Please let us know.
